Comes with microfilter. | Option C 4 Port Wireless Billion BiPac5200G-R4: Includes pre-configuration and delivery. Requires a microfilter. |
| FOC | FOC | £49.99 / Microfilter - £1.99 |

| Static IP Addresses (please tick the required box) | |
|--|---|
| Range of 1 Address - Free <input type="checkbox"/> | *This option requires additional information and a separate application which is available upon request. NOTE: When ordering a range of 4 addresses this only gives 2 useable; a range of 8 gives 6 useable etc. This is because the first and last addresses in the range are not available. This is standard practice when provisioning IP Ranges. |
| Range of 4 Addresses - £8.00 per month <input type="checkbox"/> | |
| Range of 8 Addresses - £16.00 per month <input type="checkbox"/> | |
| Range of 16 Addresses - £32.00 per month* <input type="checkbox"/> | |

| | |
|---|--|
| Enhanced Care (please tick the box if required) Add Enhanced Care. Automatically included FOC on EBSA + ADSL Max Premium. | £8.50 Monthly <input type="checkbox"/> |
|---|--|
